

# Mallet, Bolt Cutters, Hammer

## RM - Rubber Mallet

32 Ounce rubber mallet with wood handle.  
A great tool for working with large diameter suction fittings.

RM

BC18, BC24, BC36 or BC42

## BC - Bolt Cutters

The fire department skeleton key, a bolt cutter is a necessity on every piece of

apparatus a fire department owns. These bolt cutters feature hardened jaws and lightweight tubular handles. The cutting head is adjustable for years of service even after extreme use. Thick rubber grips ensure a good handhold even when wearing wet gloves. (Available in 18", 24", 36" or 42" lengths)

## BC

- Heat Treated Jaw's
- None Slip Grips
- Side Adjusting Bolt

## SH - Sledge Hammer

This eight pound sledge hammer is perfect for fire departments. Since the handle is not wood, it will never shrink and come loose from the head.

SH

The textured rubber grip assures a non-slip hold while swinging. The bright yellow handle makes it easy to find.

## SH

- Fiberglass Handle
- Rubber Coated Handle
- Bright Yellow Color
